■ ■ ■ NHS will miss you...

"Mr. Leddy is a true Lancer and part of the fabric of Norton High School. As a science teacher and coordinator, he holds everyone to the highest standards, but his presence is felt well beyond the classroom. He is a tremendous supporter of athletics, a friend to the National Honors Society, and a photojournalist for all the comings and goings of Norton High School. And let's not forget his role of school comedian. Mr. Leddy always has a smile on his face and quip to make us laugh. Norton High School won't be the same without him."

Class of 2011:

As you move on from Norton High School, remember to do the important things we have been preparing you for: take risks; expect the best of yourselves; ask the hard questions; and make the world a better place. You will never have more opportunities or more freedom than you have right now, so take advantage of these opportunities to make the next several years special.

I have told you since your first day here that high school is what you make of it. I hope that when you look back at your experience here that you have made as much of your NHS experience as you could have and leave with no regrets about things you might have done. The truth is, life is what you make of it as well. You will become everything you make yourself, so aim high.

High School is about more than going to class, eating tan lunches (with ketchup), doing homework and taking tests. It is about learning ways to think, create and communicate. It is about developing a sense of pride in yourself for who you are and what you are part of. It is also about preparing you for what comes next.

The world you are going into is a difficult place. There is war, poverty, hunger, and political strife. There are diseases that have yet to be cured. There are all sorts of prejudices to fight. You face climate change, diminishing natural resources, budget deficits, and weird rules about recycling. This world is also a very good place. People do care. When things are at their worst, people are at their best, so we are able to get through things. There is a lot of intelligence out there that can tackle and solve our problems. Tap into the positives so that you can eliminate the negatives.

Class of 2011, you will be missed, and you have left a mark. You will be welcomed back when you stop by, and the students here will listen to what you have to say. Great job getting to your graduation. Begin the rest of your life now, and make it even better than you made your four years here.

Sincerely,
Ray Dewar
Principal, Norton High School

Congratulations, Graduates!

You've met the milestone of graduating from Norton High School. Soon, you will have another challenge. Whether college, trade school, the military or the world of work beckons you, give it your best effort. Be passionate about everything that you undertake. Hard work does pay off. Remember, you get out of life what you put into it!

I am confident that the Norton Public School faculty has prepared you for success in whatever you will attempt. Take with you the lessons that you've learned during your time with us. Sure, you may hit a "bump in the road," but pick yourself up, dust yourself off and move forward with determination and confidence. Whatever you choose to do with your life, my wish for you is that it is meaningful and that you enjoy what you do.

Wishing you many more successes,
Patricia H. Ansay, Ed. D.
Superintendent of Schools

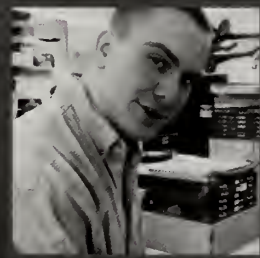

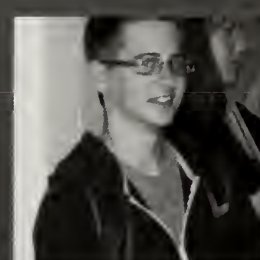

To the Class of 2011,

Just four years ago, you entered Norton High School as freshmen, unsure of what your future would bring. Now, you are nearly graduates, you have plans for the future and you are ready. I hope the last four years have taught you all sorts of different things. You have spent time learning in the classroom and outside of the classroom. Over the past four years, you have studied for countless tests, and quizzes; you have completed innumerable papers and homework assignments. However, that was not necessarily the most important part of high school. Throughout all of those assignments, I hope that you learned about effort and perseverance. I hope that today, you realize that life is about doing your best and working through even the most difficult of situations. Because, that is truly the most important lesson you can learn. I wish each of you the very best as you make your way beyond the hallways of Norton High School.

Sincerely,
Megan Lafayette

I had a lot of fun through my high school years. I remember how fun all the dances and the Junior Class Lock-In were. One of my favorite parts though was going to Six Flags for Pre-calc. I loved all the field trips I went on, including all the trips for the LSCD Cohort group, to the JFK Museum and Library in Boston, and Six Flags. Thank you to all my teachers for giving me this experience, and thank you students for coming along with me.

In life, I think the most valuable lesson a person can learn is "Never let anyone make you feel like you don't deserve what you want". In my experience being here, I think somewhere in my four years I came to this conclusion. I have made great friends and have met the most amazing people. I've learned so much not only in academics, but lessons that will stay with me through life. I have been so blessed to have been taught by such wonderful educators that have inspired me to go on and do what I wish in my life (special shout out to Mikels, Grasso, and Kefer). My family, Jes Festa, my other mam. The ladies and the gents. Dunkin' dolls and Cosi crew. Hannah, RIP. Kliff... I love you. THANKS GUYS, the memories will stay with me forever. Peace out NHS, it's been real.

Tory: My best friend through everything, you always backed me up no matter what and you told me when I was wrong. I always thought it was weird how we always know what the other is thinking and how we could have entire conversations without really saying anything. I'll never forget canoeing with Emily in your yard, playing tennis for hours on the weekend, or the cake that I found in my locker for my birthday! Emily: We've had so many good times, whether we were at Friendly's for ice cream, out to Olive Garden for bread sticks, Italian soda, and gelato; or at Red Robin with Tory getting those cups we wanted! And even though high school is over and we're moving on to college, I'd still die for you any day of the week! Nicole: I could always tell you anything and you always listened, so thanks. You and I shared some of the funniest, most dramatic stories ever and I had so much fun gossiping in school, at tennis, on the phone, and at Panera!

Mam & Dad, thanks for being the best parents in the world. You've inspired me to always reach for the stars & never give up. I wouldn't have been able to accomplish everything I have in the past couple years if it wasn't for you. Thank you for always standing up for me & always being there. I love you so much & couldn't have done anything without you! Justin, thanks for being such a great older brother, I appreciate you always being there for me. Chrissy, you are my little sister, my best friend for life, & a person I can truly count on. I love you very much & idk what I'd do without you. You always make me laugh when I'm sad & support me in everything I do. Papa George, you'll always be a hero of mine. You've always been there to encourage me in everything I do. I love you more everyday for everything you've done for me; you're the strongest man I know. Lin, you're an amazing best friend! We've been through so much together & I'll always be here for you regardless of what paths we choose in life. I'll never forget our Cusi trips, Cape Cod vacations, movie dates & car rides. Thank you for everything. I love you! Gym girties, yoga! Thank you to all my friends & family for everything, you're the best!

Nicole, Coley: We've lasted 11 yrs as best friends; through thick & thin we've always remained close. We have had the best memories: Fluffy, Mary's Song, lifeguard scenario, walking 7 mi. in Newport, Kenicutt & Federal Hill with Kenty, Bri & Jared have made our summers 10x better, we will always be best friends. Nic & Julie: Summer 2010 wouldn't have been the same without you. We created so many, amazing memories that I'll never forget. Julie you can make me smile in the worst of moods & Nic you're a friend I can talk to about anything. Job: You truly are what a real friend is. From our toxic waste swimming to our ghetto model shoots: we've had the best times. I can't tell you how happy I am that we've become closer. You have the best personality & I couldn't have made it through without you. Val, Alex, Kristina, Cass, Em & Meg: Love you ladies more than anything! You all are amazing people & I know you will go so far. You make everything so much fun; many more great times to come. Seniors plus Bri: You're my ladies! I love our Panera dates & random hangouts! THE BOYS: You guys have made my last couple years a lot more fun, I love you so much, Class of 2011, I love you all. Dad, Mom & Myles: thank you for all the support I love you all so much.

The Class of 2011 had a very successful and fun year. We began with a two-day fundraiser at the TPC Golf course in the summer, where we worked in shifts along with parent volunteers at a concession stand tent serving food. We continued the tradition of running the 2011 Powderpuff football game in November. We also had a lot of fun volunteering at SYSCO before Christmas, where some of our volunteers got to dress up in Christmas-themed costumes. On Valentine's Day, we turned G Block into an ice cream party where the seniors got measured for their caps and gowns while playing Just Dance 2 on Wii and enjoying ice cream sundaes with their class. The Senior Class Play, "The Pirate Show," was a huge hit, and the seniors who participated had a blast. Overall we had an awesome last year here at NHS. The Class of 2011 is the best!

Junior Delegates

Norton High School's Class of 2012 has had another fantastic year. To start off the year, they celebrated with a lock-in during October where the bond between classmates grew stronger. Throughout the rest of the year, delegates participated in other events such as working at the TPC, administering the compatibility tests, and making preparations for the Junior/Senior prom. Overall, a lot of hard work and fun has gone into this school year. The leaders of the Junior Class of 2012 are proud of all that has been accomplished and look forward to an even better senior year.

Sophomore Delegates

The sophomore Class of 2013 had a great year! We started off with SnowBall in December which was a giant hit and always a favorite for underclassmen! In addition to the annual winter dance, we held several other fundraisers and class events, including a babysitting night and a Cosi fundraiser. The sophomore class had a blast this year and looks forward to the rest of our high school career and our graduation in 2013!

Freshman Delegates

President: Jordon Wollenhaupt

Vice-President: Alexander Feinschreiber

Secretary: Jesse MacLean

Treasurer: Christine Tamulis

This year's freshmen class has been working hard all year long on projects such as organizing a Friendly's Fundraiser (20% of proceeds go towards the Class of 2014), raising money for the Dana Faber Cancer Institute by making and selling red ribbons, and planning for next year's Snowball dance. They also held a contest for a freshmen logo t-shirt and are working on getting the shirts made and ready for sale. Before the end of the year the delegates would like to have at least one more fundraiser so that the Class of 2014 can have a wonderful and eventful four years at Norton High School.

Membership in the Jean G. Findlater Chapter of the National Honor Society requires a student to be a junior or senior with a cumulative GPA of 4.30 while also demonstrating outstanding character, leadership, and service to the school and community. As a group and individually members are active in the community, from volunteering at school events such as the LGN Winter Carnival and the JCS spring fair, to tutoring and organizing events as a society. This past year the Society ran a successful supply drive for soldiers along with holding the annual Senior Senior Prom for EPOCH Assisted Living Center and Nursing Home residents. Participation in the annual Bike -A- Thon for scholarships involved members soliciting pledges to compete in a ten mile bicycle ride around Norton. Throughout the year Norton High School and its community benefited from the outstanding service the National Honor Society offers on a daily basis.

La Sociedad Honoraria de Espanol or the National Spanish Honor Society is a vibrant society led by Mrs. Godfrey filled with tons of energy. Throughout the year society members tutor fellow Spanish students along with participating in a variety of community service projects. The Society volunteers at EPOCH twice a month, puts on an annual EPOCH talent show and this past year caroled with the French Honor Society. At Norton High the society is involved in many activities such as the Day of the Dead Celebration and the planning of the Semi-Formal Dance with the French Honor Society. Each year, the Spanish Honor Society gives two scholarships to two outstanding Senior class members.

The French Honor Society or La Societe Honoraire de Francals is dedicated to promoting the understanding and appreciation of French language and francophone cultures. Membership in the society requires the maintenance of a B average in a student's fourth year of study in French. The society provides tutoring throughout the school year along with planning several activities. The annual Mardi Gras celebration involves food, activities and information about the festival and is tons of fun. The Society also sponsors the annual Semi-Formal along with the Spanish Honor Society. This year, for the holiday season society members caroled in English and French with the Spanish Honor Society. Each year, scholarships are given to seniors who intend to study French in college. The French amour these French lovers help bring to Norton High School is definitely appreciated.

Mu Alpha Theta, or more commonly known as the Math Honor Society is the dominant force in celebrating mathematics at Norton High School and helping its members prosper. A math GPA of 4.67 is required along with a 4.0 overall GPA for membership along with being a junior or senior. This year the society celebrated Pi Day, Mathematical Awareness Month and organized a very successful Amazing Race at the high school. It also sponsored itself and participated in math competitions that had possible scholarship prizes of \$100,000. Members have also participated in math-related activities at Patriot's Place, really enjoying the places math can take them in the real world! Overall, the Math Honor Society is excelling in their goal to share their excitement for math and bring math awareness to Norton High School!

The English Honor Society was founded last year and has already become one of the largest honor societies at Norton High School! Membership in the society requires a 3.0 English GPA and there is an application process involving an essay. The society honors sophomores, juniors and seniors for their superb academic performance in English and their overall GPA. Throughout the year the society runs various activities including a school wide book drive and a sweatpants fundraiser. Members peer tutor after school each day and are all involved in promoting the love for literature and writing.

The Art Honor Society has been a powerful force at Norton High School for 25 years. Membership in the society requires a minimum B average in a student's art class(es). Members in the society are very dedicated students who abide by the society's three goals; serving the community, raising money for senior scholarships, and continuing to excel academically in all other subjects. Every season the society has a correlating artistic activity from painting pots in the Spring, to painting pumpkins for Halloween and selling carnations for Valentine's Day. When the annual Art show takes place in March members are responsible for setting up and selling items. Norton High School thanks the Art Honor Society, and their advisor Mrs. Lewicki, for continuing to demonstrate its creative talents everyday.

Student Council

Norton High School Student Council is a group that specializes in bringing out the best in students as well as helping our school and community. Student Council has taken time and effort to create a comfortable school atmosphere for its many students. Over the school year, STUCO has planned and organized several events such as: Freshman Orientation, Spirit Week, Santa Fund, the Talent Show, the Hypnotist show, Kiss a Senior Goodbye, and many, many more. They even held two pep rallies that helped heighten school spirit. STUCO has held several fundraisers to help not only the school but the community, for example: the L.L. Bean and Borders Gift Wrapping, Santa Fund, and Penny Wars. In the end, Norton High Student Council has given a lot to make the school a better place.

Yearbook

The 2011 NHS Yearbook would not have been such a success if it hadn't been for the numerous hours put in by the small, yet efficient staff and hardworking adviser, Ms. Immonen. Editors Jessica Herrera, Mike Gillis and Patrick Doherty spent each Tuesday in the computer lab for what seemed like hours trying to make this book everything that it could be. We were able to capture great pictures and get great sponsors with the help of Rob Cormier, Josh Wilson and Colin Ahern. Not only did it take determination and focus, but it also took faithfulness because making this book was definitely not an easy task. Directly after school, we would go to the computer lab and sometimes wouldn't leave the school building until five or six p.m. But regardless of how stressed out we were, we always found a way to have a good time and still work hard while doing it. To end, I'd just like to say that I hope everyone treasures this book as much as we do. We won't see some of these people for another 20 years, so don't take it for granted. You're welcome.

DECA is an association of management, marketing and technology students where members compete and learn in a variety of categories while having fun all at the same time. Students compete at the district, state and national levels. It also provides students with the opportunity to learn about marketing, entrepreneurship, finance and international business. It allows students to develop leadership skills and confidence that will give them a head start toward their own career. The advisers for Norton's DECA chapter are Heather Albritton and Aaron Sumner. At the 2011 district conference, Norton had 18 members that won awards and were able to move on to the state level in Boston. At the state level, 1400 students competed and 9 members from Norton placed in the top ten in their category.

The Norton High School Drama club puts on an all-grade show in the fall, and a Senior Class Play in the spring. The advisor is Ms. Lyons, a teacher in the English department. This year, the Drama Club put on a "Night of Firsts", for the fall show. The "Night of Firsts" was a series of short, 1 act-plays put on by the actors all in one night with common themes students experience in high school. This year, the Senior Class Play is "The Pirate Show", a show about two orphans abducted by pirates and forced to go with them in search for treasure. There were many seniors in the club who have been dedicated throughout all of their years of high school; they are Kimberly Smith, Emily Jestus, Christina Izzo, Danielle Golden, Victoria Miller, Victoria Derksen, Stephen Smith and Maria McNeil. To us, drama is not only an extracurricular activity but a way of life.

The Norton High School Concert Band and Pep Band are both directed by Miss Kyla Polak. The concert band consists of beginner to advanced players ranging from freshmen to seniors. They perform about two concerts per year and also compete in the Great East Festival in Salem, Massachusetts. The Pep Band is NHS's marching band, who perform at the town's Memorial Day and Halloween parades, as well as football games and the Pep Rally. Both the concert band and the pep band provide the soundtrack to life at Norton High.

Chorus

Select Choir

The Norton High School chorus has drastically grown in size again this year. There are about fifty or more members who are singing under the fabulous direction of Ms. Kyla Polak. This year, Chorus and Select Choir has performed in a Winter Festival and are going to perform a Spring Concert. There are also plans for another Sing Off with the North Attleboro Chorus where the two schools will combine to perform one big concert. To finish off the year, Chorus and Select Choir are going to compete in the Great East Competition and then take a group trip to Six Flags. Thanks to everyone involved for your hard work and beautiful singing!

SADD's mission is "to provide students with the best prevention tools possible to deal with the issues of underage drinking, other drug use, impaired driving, and other destructive decisions." The Norton High School chapter of SADD is not only devoted to the prevention of destructive decisions, but also the promotion of healthy and admirable choices in the community. Students Against Destructive Decisions hosts the extremely successful biannual blood drive and semi-annual mock crash along with other events within the school each year.

In Debate Club/Model Senate, discussions of current events throughout the world dominate the conversation. Debates range from issues within the United States government to a wide range of global affairs. Students also write bills for the Hockomock Model Senate and follow the basic parliamentary procedures. The chair of the committee is a member who makes sure that there is order in the community and that the parliamentary procedure is followed. Led by Mr. Burgoyne, the members of Model Senate love to debate about controversial bills and share their interest in political issues.

Norton High School's Freshmen Advisory program has been active for a few years now and has outdone itself more and more each year. There is one teacher and a few student mentors per advisory, with the mentors ranging from sophomores to seniors. Each advisory meets every Tuesday and Friday as a group to have discussions, play games and mingle. Often, advisories will "challenge" one another in games such as Pictionary, volleyball, or shipwreck. At the end of the year, every advisory competes in the Advisory Olympics, and the winning advisories are rewarded medals. All freshmen receive a certificate at the end of the Olympics and memories of a year of fun.

Leadership is defined as a process of social influence in which one person can enlist the aid and support of others in the accomplishment of a common task. In Norton High School, Leadership Council is a group of students who come together with hopes to enhance their leadership skills both in and out of the classroom. It challenges us to think outside the box and step outside of our comfort zones; it allows us to work with people we normally wouldn't, and teaches us team-building communication skills.

The Norton football team had an outstanding season this year, ending the regular season with a record of 8-1. TVL Coach of the Year, Coach Currie and captains Phil Rizzo, Mike Twitchell, Brendan Curtin, and Shawn Ferrini showed great leadership this season and led the Lancers in a very tough Tri-Valley League. Zach Schwieger rushed for 1,020 yards this season and the team rushed for a total of 2,143 yards in 11 games. Joe Wilkes and Brendan Curtin had 1,040 yards combined passing and 10 passing touchdowns. Not only was Joe a threat in the quarterback spot, but he also snagged 8 interceptions during the season. Carlos Silva led the team with 83 tackles and Phil Rizzo led the team with 5 sacks. The Lancers have a record of 26-9 in the last 3 years and qualified for the TVL playoffs this year. The team as a whole learned a lot about physical and mental strength, along with teamwork and overcoming adversity.

The boys varsity team had a strong season this year, ending 5th in the Tri-Valley League and earning the 14th seed in the division two state tournament. Keegan Campbell, Justin Iadarola, and Kolin Campbell were able to lead their team to ten regular season victories and two playoffs wins. The team was able to knock off the number three seeded team, Norwell, in overtime. Injuries during the season are never an easy thing to cope with but when someone was injured, everyone else on the team stepped up allowing the boys to still have a successful season. Everyone on the team put in their best effort including underclassmen Joe Maia, who shut out Hopkinton, and Kevin O'Leary, who had his first varsity assist in the Norwell game. Having a very experienced team this year with ten seniors was a relief for Coach Greene, considering he only had three last year. His seniors allowed the team to have a lot of depth which became an important factor in the later minutes of games. The Lancer boys were able to end the season with a record of 10-7-3.

Captains Julie Aussubel, Brianna Valeri and Jillian Wry, along with third year coach Todd Kefor, led the girls soccer team to their best record (8-4-6) since joining the Tri-Valley League. Along with fellow seniors Audrey Maia, Kelsey Goldberg, Emily Hastings and Cassandra Iagatta, the team qualified for the state tournament for the second consecutive year and for the second time in over a decade. All four of the Lancers' losses came by a margin of just one goal. Juniors Meagan Elliott (leading the team with eleven goals), Kimberly Schubert, Kate Ledbetter, Kristen MacGray, Brianna Betts, Paige Almeida & Amanda Schleicher all played critical roles in the team's success. TVL all-stars included Jillian Wry, Kimberly Schubert, Kristen MacGray, Julie Aussubel, Paige Almeida, Meagan Elliott, with Sun Chronicle All-Star honors given to Jillian Wry, Meagan Elliott & Kimberly Schubert. The team honored sweeper Jillian Wry as its Most Valuable Player, Emily Hastings as its Most Improved Player, and Julie Aussubel as the Coach's Choice. The Lancer girls look forward to continuing their success for years to come.

The 2010 Volleyball season was full of hard work, positivity, and improvement. Led by coach Mrs. Newell, senior captains Jessica Wasylow and Rebecca Morse, and junior captain Amanda Sullivan, the team tried their very best every moment on the court. As a team with a majority of players being underclassmen, they were underestimated by their opponents, but went onto the court and gave it their all every game. Throughout the season, each member of the team improved and grew to be a stronger, better player. The team bonded both on and off the court as the season progressed, which helped with their development. Overall, the volleyball team had an exciting and successful season and should be proud of all their accomplishments.

CrossCountry 2010

Back Row (left to right): Coach Taylor, Brandon Durocher, Mike Gillis, Tyler Anderson, Mason Rouillard, Caleb Tripp, Chris McCready, Tim Johansmeyer, Evan Dasilva, Dalton Weir, Brian Acker, Austin Cheda, Josh Kelleher, Cam Eisnor, Matt Remick

Front Row: Connor McLaughlin, Kevin Rogers, Dan Sugar, Stacie Linfield, Katie D'Onofrio, Allison Alioto, Brittany Alioto, Erica Callahan, Annie Ledbetter, Jessica Greco, Max Marcotte, Nick Skotni.

The 2010 NHS cross-country team has experienced another season of improvement, and acquired its share of successes through its course. Led by captains Tim Johansmeyer, Mike Gillis, Annie Ledbetter, Erica Callahan, and Coach Taylor, the team achieved a 3-6 record on both sides. While it may not be the most impressive of records, the team has many strong young runners that will become serious competition for many teams in the Tri-Valley League in the coming seasons. The team's chemistry remained strong throughout the season and showed a great deal of sportsmanship in each competition. They were awarded best sportsmanship amongst all the teams in the league. Outside of the competitions, the team held several fundraisers, which included two canning drives, a car wash, and a 1st annual road race that raised significant amounts of money. This money goes to the team's booster club, which will ultimately help pay for a new outdoor track, senior scholarships, and various other worthy causes.

Golf 2010

Led by co-captains Zach Schuster and Max Cantin, the golf team ended a successful season at 12-3, capturing the second place title in the Tri Valley League. The 2010 team was comprised of eight juniors, one sophomore and two freshmen. The team continued its dominance on the front nine holes of its home course, the TPC Boston, with a compelling 3 year record of 27-3. Looking forward to a strong 2011 season, Coach Ryan Riley, along with the entire gold team will be eagerly returning next year in hopes of earning a league banner.

Wrestling 2010

The wrestling team had another fantastic season this year with a varsity dual meet team record of 16-8 and junior varsity dual meet record of 10-0. Led by coaches Pat Coleman, Pete Holmes, Brian Gallagher and Ryan O'Rourke and captains Brett Gallagher, Derek Hoyt and Scott Coleman, this has been the best team in Norton's history of wrestling. As a team they placed second at the Division 3 State Tournament and had five members qualify for All-States. Personal bests were made by Scott Coleman who made 100 wins and Brett Gallagher who is now a 2x State Champ. Overall, the wrestling team had a lot of success this year.

Front Row: Abby Anderson, Chelsea Crogan, Kerri Estano, Kayla Lantos, Sydney Colbert, Lindsey Garrone, Alex Hayes, Cassidy McDonald, Peter Le

The Swim Team started off this season with its largest team ever, over 30 swimmers. Each swimmer worked individually to accomplish personal goals and many broke school records! The team was led by Coach Kim Bray and captains Colleen McDermott & Colin Ahern. Outstanding performances this season by Olivia Karcis and Maddie Thomson qualified both for Sectionals & States, the first individual swimmers to ever qualify for either of those meets. Olivia, Maddie and Colin were named Tri-Valley League Allstars at the conclusion of the season for their spectacular performances throughout the season. The team finished in 5th place at the Tri-Valley League Championships, concluding a very rewarding season.

For the fourth straight year, the boy's basketball team reached their goal of making the state tournament. To define the season in one word, the perfect word would be overwhelmed. There were some games that made the crowd sit at the edge of their seats because of their intensity. Scores seemed to always be close and we were all exhausted after most of our games. With the leadership from the senior captains Chris Ruta, Joey Wilkes and Phil Rizzo the team came together as a single unit. Sharp shooting from Malik Little and Steve Burrill powered the offense. Strong post play of Colin Feeney and Steve Tessier anchored the team. To many of us, basketball isn't simply a sport to take up time but it is our way of expressing ourselves and having the time of our lives. Not only will the seniors miss the times they spend on the court, but they will be missed as well.

Junior VARSITY

Back Row: Katie D'Onofrio, Kelsey Charlton, Samantha Lang, Shannon O'Rourke, Kristen Cuneo.

Front Row: Ashley Boulos, Rachel Meyer, Olivia Christy, Christen Cavanaugh, Courtney Desautel.

This year the girls basketball team had the best season in years, finishing with a record of 8-14. Led by Senior captains Shannon Hansen, Kayla Bessette and Jessica Wasylow, the team grew stronger and improved their overall knowledge of the game. One outstanding moment of the season was Shannon Hansen's game winning 3 point shot against Martha's Vineyard with 3 seconds left in the contest. Another standout performance was when Meg Brown scored 18 points against Medway, defeating them for the first time in years. This won her a spot in the TVL All-Stars. While the seniors will leave a tremendous legacy behind, the team, along with Coach Nunes and Coach Jamiel, look forward to another great season in 2012.

Middle Row: Erin Feeney, Stacie Linfield, Amanda Schleicher, Bekah Sargent.

Front Row: Elizabeth LaVerghetta, Jill Wry, Annie Ledbetter, Jess Greco.

Although it was not the strongest year for the winter track teams as a whole, it was a great season for individuals. The boys posted a record of 5 wins and 3 losses while being captained by Tim Johansmeyer, Jon Sicard, Mike Gillis, and Keegan Campbell. On the other hand, the girls had 2 wins, 5 losses and 1 tie while being captained by Jill Wry, Annie Ledbetter, and Amanda Schleicher. The girls put up a valiant effort this year with only 14 girls making up the whole team. On the boys side there were 9 school records broken: the 50 yd dash (Jon Sicard), the 55 meter dash (Jon Sicard), 50yd hurdles (Ben Donovan), the 55 meter hurdles (Ben Donovan), the 300 meter (Tim Johansmeyer), the 1 mile (Kevin Rogers), the 4x400 meter relay (Tim Johansmeyer, Jon Sicard, Keegan Campbell, Kevin Rogers), the shuttle hurdle relay (Ben Donovan, Ramzi Bechara, Ryan LaPadula, Jon Sicard), and last but certainly not least the sprint medley relay team of Keegan Campbell, Brian Acker, Jon Sicard, and Kevin Rogers. The sprint medley team not only set a school record but won a division IV state championship; it is the first winter track championship ever for Norton. The girls side also had a great season breaking 6 school records: 50 yd dash (Courtney Williams), 55 meter dash (Courtney Williams), the 50 yd hurdles (Emma Ethier), 55 meter hurdles (Emma Ethier), high jump (Rebekah Sargent), and the shuttle hurdle relay team of Emma Ethier, Courtney Williams, Amanda Schleicher, Rebekah Sargent. Courtney Williams had a stellar season placing 2nd at Division IV championships and moving onto all states where she finished 7th in the state! The boys 4x400 team placed 3rd at Division IV championships and moved onto all states where they placed 18th in the state. A state championship is not the only hardware the boys brought home though; they took home the TVL sportsmanship award as well. This is thanks to the great coaching of Kent Taylor and assistant coaching of Mike Brito. With all the records being broken, it was a tremendous year for both the boys and the girls.

Senior Cruise

■■■ ■ ■ September 21, 2010

This year, the class of 2011 rocked out at the annual senior cruise. The seniors looked fabulous decked out in their Rock & Roll gear. As they got off the bus and walked towards Boston Harbor, the seniors saw the white ship that would lead them to a night of dancing, fun and memories that would never be forgotten. The sunset was beautiful to watch over the water and the DJ knew all of the right songs to play. The Senior Cruise was literally, ROCKIN' !

Homecoming

October 23, 2010

This year's homecoming dance was themed "Dance through the Decades." From Roarin' Twenties to the Nifty Fifties, there were costumes from throughout history. The music provided by DJ Colin Ahern was upbeat and students literally boogied the night away. The homecoming king was Ben Avril and the homecoming queen was Brianna Valeri. It was a night full of great friends, great music, and great costumes planned by the Student Council.

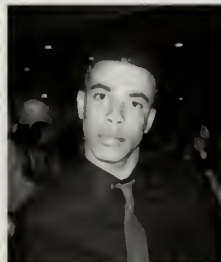

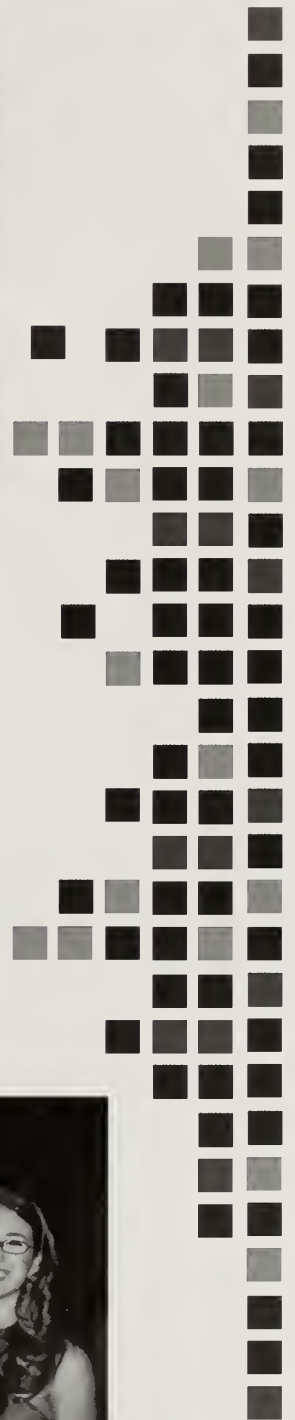

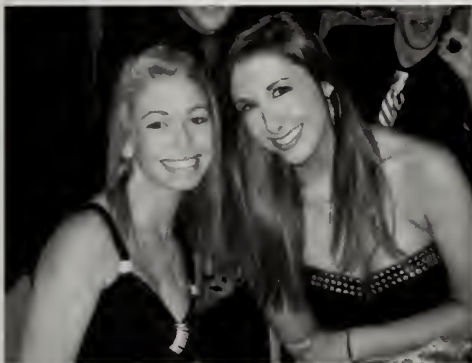

Semi-Formal

■■■■ ■ ■ November 10, 2010

The annual-semi formal hosted by the French and Spanish Honor Societies was, as always, a huge success. The decorations used to liven up the Holiday Inn in Taunton were beautiful. The juniors and seniors of Norton High School enjoyed a buffet dinner and danced the night away to this year's latest songs. Everyone looked spectacular in their semi-formal attire. Although the boy's soccer team had a game on the same day, they still managed to make it to the dance and enjoy the night. The class of 2011 truly enjoyed their last semi at NHS.

Snowball

December 3, 2010

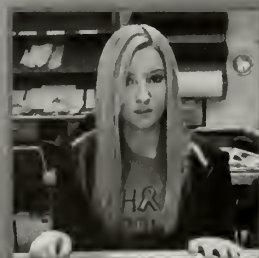

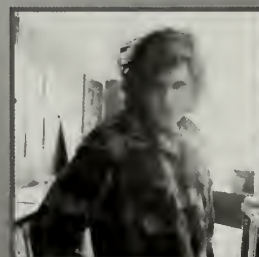

The annual snowball dance was a night filled with memories that will never be forgotten. Friendships were strengthened, bonds were formed and everyone had the time of their lives. The underclassmen enjoyed a night in the NHS cafeteria which was transformed by the beautiful decorations. Everyone looked fantastic while the great DJ played all of their favorite songs. As always, it was another successful Snowball. The Classes of 2013 and 2014 danced their way into the New Year and many more memories at NHS.

Don't just grin; SMILE
For in smiling comes all your inner warmth and strength;
Don't just love; CHERISH
For you may never feel that joy again;
Don't just touch; FEEL
For only then will you know the true quality;
Don't just learn; UNDERSTAND
for only then will you value that knowledge forever;
Don't just hear; LISTEN

Alison,

As you graduate from high school, we remember all of the wonderful memories. We are so proud of everything that you have accomplished. Always stay true to yourself and dream big...The future is yours. Our wish, for you, is that this life becomes all that you want it to,

Your dreams stay big, and your worries stay small,

You never need to carry more than you can hold,

And while you're out there getting where you're getting to,

We hope you know somebody loves you, and wants the same things too,

Yeah, this, is our wish.

CONGRATULATIONS JUSTIN

Dear Daniel,

You consider yourself a distance runner, which is
a good thing. Life is not a sprint. It is a long
distance journey. You are just beginning yours
now.....

Soon, no one will remember who won the races
in high school, who got the awards or who was
team captain. What matters most in life is what
kind of person you are and how you treat other
people. We are so proud of the man you are
becoming. You're honest, smart, funny,
considerate, hardworking and by far the bravest
person we know. You inspire us everyday to be
better parents and better people. We are
honored to have you as our son.

Enjoy your journey!

Love,

Mom & Dad

We are all so proud of you!!!
As you begin your journey as
an adult remember all that
you have been taught. Trust
your instincts follow your
heart and listen to your head
and you will never go wrong.

Emily Jestus

Dear Emily,
Just like the butterflies that will
grace the garden you have
created at LGN, we have
watched you grow and change
through many wonderful
stages over the years. Now we
see you emerging as the
amazing and talented young
lady you have become and we
couldn't be more proud!

As you spread your wings and
journey on from here, bringing
your bright and colorful spirit
into the wider world, we will
always hold you in our hearts
and wish you peace, love and
fulfillment. We will always
stand by you and support you
in any way we can.
You bring us such joy!

All our love,
Mom and Dad

Jessica Herrera

"She was born a premie. Two months premature. Both of us visited her every day at the ICU at the Brigham and Women's Hospital. Every day we saw our little baby get stronger, fight, and get well. Eighteen years have passed and we have seen our little baby grow into a beautiful young woman. She is still a fighter. She strives to do her best in anything she puts her hands on. Her smile is contagious. Many of our friends call her "smiley." This is her blueprint. This is what makes her unique: Her ability to light up a room with her smile. This is Jessica. This is who she is. She will continue to light up the lives of the many people she will meet in college. We are so proud of who she is, and we thank God for the miracle of life. We thank God for giving us the greatest gift any parent could ever wish for: our daughter Jessica."

TRUE LIFE:

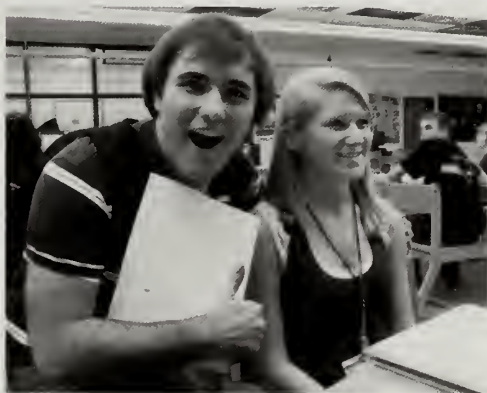

WE ARE...

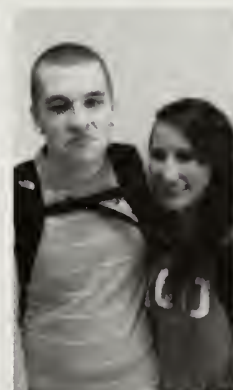

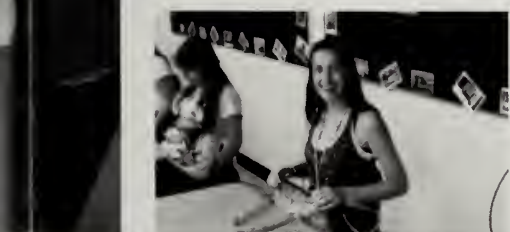

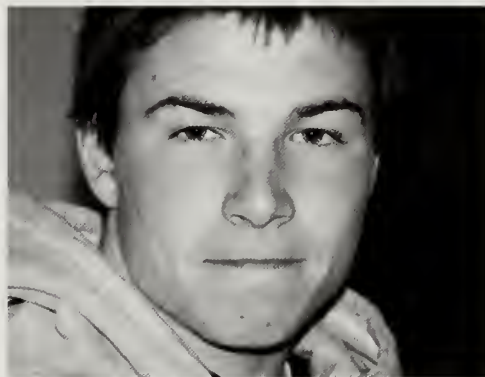

THE STUDENTS...

170 True Life: We support NHS!

OF NORTON HIGH!

CONGRATULATIONS!

Sometimes you have to let go of the person you think you are to become the person you are meant to be.

-Mrs. Ito

As you begin your life's journey remember to scan the horizon for interesting sights, people and places. Explore. Test your boundaries. Do things that make you uncomfortable from time to time. Visit new places. See how other people live. These are the things that make life rich and worth living. Norton is your home-base and will be here when you need the comfortable and familiar, until then... to infinity and beyond!

-Mr. Jewell

Suivez vos rêves!

-Mrs. Penza

Good Luck! Tweet your hearts out!

-Mr. Burgoyne

Class of 2011 you put in all the hours in car washes, the prom search, prom setup, snow ball, English, history, math, art, science, senior play, dances, basketball, football, baseball, tests, college searching and more in high school. It was all worth it when you look back. Even if you argued a lot over the prom center pieces being goldfish. Class of 2011 cares about fish and each other.

-Mr. Grasso

Dear AP Calc,

I want to thank you for an awesome year. You are my favorite Calc class ever.

-Mrs. Taylor

It's OK to be ignorant; but it is not OK to stay that way. There are many things we do not know, and there is no shame of that in this complex world. However, once you become aware of injustice, prejudice, and discrimination, you cannot continue to ignore it. Educate yourself and those you care about. You have an obligation to give back and try to make this world a better place.

-Mr. Duff

As the "senior" member of the Class of 2011, I too look forward to what the future holds. I wish you all well in the future. Achieve success and fondly remember Norton High School!

-Mr. Leddy

Good luck to the Class of 2011! It has been a pleasure to have had so many of you as students these last four years and I wish a fulfilling life for all of you. A favorite "advice" book of mine is "Don't Sweat the Small Stuff..." Two selections I particularly like- "make service an integral part of your life" and "surrender to the fact that life isn't fair." Good luck to all of NHS graduates 2011!

-Mr. Smith

Good luck and I really enjoyed getting to know all of you. Thank you for making me feel welcome.

-Mrs. O'Reilly

Goodbye Class of 2011! I will miss you tremendously. You have been my very favorites so far! (although I will admit to being completely biased).

-Mrs. Bukowski

Congratulations to a fantastic class! It was a pleasure getting the chance to be your senior advisor. Best wishes for the future!

-Mr. Paulus

TRUE LIFE:

To my little Algebra I students who are all now graduating: I will miss you and I wish you well. To my Math of Investments class: Save, save, save! And remember to read the fine print!

-Ms. Medeiros (M&M)

To my yearbook crew: Jess, you are the best! We made it work! Mike, always the calm one with great ideas! Keep smiling! Pat, I don't know how you translated my scribbles, but you did it well! Thanks! To my AP Stats class: Despite all your complaints, I will miss every one of you. I hope you had as much fun as I did! Thank you for all your hard work!

-Ms. Imm

I wish you success and all that life has to offer - learning, love and luck. Thank you, and... you're welcome. ;-)

-Mr. Kefor

Dear class of 2011, I want to extend my sincere best wishes to all of you. Your class possesses such a wide variety of talent! I hope that you all seek and live up to your fullest and unique potential. I want to wish all of my soccer senior soccer players the best in the future. Hopefully you have learned valuable skills through soccer; not only how to win on the soccer field, but the parallels in life as well. Finally, I want to thank all of my AP Psychology students for their effort, commitment, and desire to achieve success. I hope that you always remember and apply the major concepts to your life. To all seniors, thank you for making the past four years so much fun. Enjoy your journey throughout the next stages of your life.

-Mr. Greene

Good luck.

"Nobody can go back and start a new beginning, but anyone can start today and make a new ending."

"The difference between school and life? In school, you're taught a lesson and then given a test. In life, you're given a test that teaches you a lesson."

- Mark Twain -

Live your life to the fullest and never give up. You're a star no matter what you do, dream big and aim high. -Stefanie Weiner

Advice for lower classmen:
Don't ever believe there is a pool in our school! and never let the big seniors push you around.
-Anthony Tucceri

If there is one thing I learned in life it is that no girl will ever like the hair they have, but if there is one thing I learned in High School; It isn't about being a success, getting the money, getting the guys or the girls, having good looks, or even being talented. It's about taking life as it comes, I've never met someone with a perfect life but I've met plenty who don't mind. -Alexi Idreos

When you witness someone tripping and falling in the hallway, look around to make sure the person that fell isn't there when you reenact the moment with your friends.

I was a freshmen when I came into the school, and I had a brother that was a senior. Of course he was an all star athlete so I was referred to Tom McDermott's little sister. So my advice is to anyone with a sibling in the school: branch out, make a name for yourself. And whatever you do make sure it makes you happy. "High School's what you make it" take advantage of that. -Colleen McDermott

Rubbing alcohol is flammable. Do not catch the chemistry lab tables on fire... -Tory Carlson

To the underclassmen: one of the most important things you can do during your high school career is to become involved with activities that interest you. Join a sports team, play an instrument, participate in a committee, become a part of an honor society, just to name a few. It is also important that you join as early as possible, so you can have a better chance of obtaining a leadership position in that activity towards your junior or senior year. This will not only help build leadership skills, but it can also help give you an edge when it comes to college admissions. So get involved and enjoy whatever it is you like to do! -Mike Gillis

Life's too short to be anything but happy. Don't take it for granted. -Jessica Herrera

Be yourself and care-free during High School, it goes by fast. Live it up. -Connor O'Sullivan

Be true to yourself. Four years seems like an eternity but it goes by so fast. The only person who can ever put you down is yourself. -Emily Hastings

Find a true group of friends. Laugh a lot. Have fun and don't be afraid to follow your dreams and be yourself. The ones who matter will respect that and appreciate you for you. High School goes by fast so don't let it pass you by; take advantage of every opportunity and enjoy the ride.

-Kim Smith

Enjoy your four years, especially senior year. You only get one life in this world so don't screw it up now. Take AP U.S. junior year; it's the best. Remember to find your passion and pursue it with everything you've got! -Dan Sugar

Don't procrastinate to do your work, your future depends on it! Take the steps you may need, even if it means a private tutor, to succeed. Oh, and your teachers are glad to help, so don't be afraid or ashamed to ask them either! -Katie Platt

True Life: we did it!

LIVE IT UP, you're only in high school once, make the best of it. -Keegan Schleicher
